

## Toilet bowls

### You will need:

- 1 cup white vinegar
- (optional ½ cup baking powder)
- toilet scrub brush

### How to:

- Add approximately 1 cup white vinegar to the toilet
- (Optional if toilet is especially dirty and you need some abrasive/foaming action: sprinkle approximately ½ cup baking powder into toilet bowl with vinegar)
- Scrub bowl with toilet brush
- Let set at least 15 minutes or until the next flush

## Spray bottle recipe:

- Add 1 cup vinegar and 1 cup water into the 16-ounce spray bottle. Shake gently to mix.

## Windows & Glass

### You will need:

- spray bottle with equal parts white vinegar and water
  - *see recipe above if refilling needed*
- newspaper, 1 sheet crumpled up

### How to:

- Spritz onto glass surface as you would a commercial cleaner
- Dry window with crumpled up newspaper for a streak free shine
- Recycle the newspaper!

## Countertops, Sinks & Toilet Seat

### You will need:

- spray bottle with equal parts white vinegar and water
  - *see recipe above if refilling needed*
- paper towel

### How to:

- Spritz onto surface as you would a commercial cleaner
- (Optional: sprinkle a spoonful of baking soda onto counter or into sink if especially dirty and you need some scouring, abrasive action)
- Wipe down with cloth of your choosing

## Mopping Floors (*kitchen & bathrooms*)

- Sweep or vacuum floor first

### Option 1: Traditional Mop

- Mix between ¼ to ½ cup vinegar with 1 gallon of water
- Submerge mop into vinegar-water mix, wring out mop and proceed to clean
- Allow floor to air dry

### Option 2: Swifter method

- Spritz the bottom of the swifter pad with the cleaner spray bottle (water-vinegar mix)
- Swifter floors. Allow to air dry.

**Scouring** Baking Soda works wonders on scouring away stains! Try it on tea/coffee mugs, toilet bowls, stainless steel stovetops, sink drains, etc.

You will need: baking soda & either a stiff scrubber or soft cloth will do the job

How To: Wet the stained surface with water or white vinegar. Sprinkle on baking soda and let sit a few minutes.
